From the Principal's Desk:

Camp for Years 3-4 at Lake Dewar Camp

Good luck to the children and teachers who are attending school camp this week at Lake Dewar Camp (near Ballarat) from Monday 3rd August - Wednesday 5th August. We hope they have an enjoyable and safe time.

Confirmation Sunday 26th July

Congratulations to the following Year 6 children who celebrated the Sacrament of Confirmation on Sunday 26th July: Luca Brown, Lily Avon, Alvin Nguyen, Jamie Scott, Lara Paul, Perron Silveira, Ella Martin, Amelie Nixon, Frances Murphy, Sebastian Felle, Jemima Kavanagh, Rose Kavanagh, Richard Ovakimyan, Charlotte Crowe, Tyler Lazzaro, Sophie Warrington, Amelie Nash, Bruno Jankowski-Smith, Trinity Berton, Ava Weisz. The children presented themselves so well before and during the ceremony. Thank-you to Paula Incretolli who prepared the children and to Maureen McDonald and Bernadette Milne who organised the ceremony.
Congratulations to all the Foundation children who last Thursday celebrated their first 100 days of school. They had a lovely celebration in the Parish Hall on Thursday afternoon.

Netball Lightning Premiership
Congratulations to the Years 5 and 6 children who finished third in the Netball lightning Premierships last week.

Parish Hall
The fittings to the Parish Hall are almost complete. It is hoped that the hall will be used by the children from Monday 10th August, where After Hours Care will be held. The hall will be used as a multi-purpose facility from next Monday. The Perceptual Motor Program (PMP) will be re-introduced in Years F-2 and will be held on a Thursday in the hall. Eventually we will use the hall for assemblies, but this will occur after a new PA system has been installed.

Parking
A reminder to parents that when you drop off and pick up your children to and from school that you do so in a safe-way. Some parents have begun double parking in Westbury Street whilst dropping off their children. This is very dangerous for the children and dangerous for the motorists who are traveling in Westbury Street. Please park safely in Westbury Street or use the normal parking at the Senior Campus.

School Improvement Surveys
A reminder to the families who received a hard copy of the parent survey to complete it by this Wednesday 5th August. The School Improvement Survey is conducted each year and asks students, staff and parents a number of key questions about the culture and development of the school. Your participation in the survey helps shape the ongoing improvement of our school for the students in our care. Our School Improvement Survey Report is an invaluable resource in an ongoing pursuit of improvement. This helps us to identify what is going well and not so well and ways in which we can improve and further develop our school.

Pop-up Market
The Hank Marvin Pop-Up Market, commenced last Saturday in Alma Park next to the Senior Basketball Courts. It is a weekly market that is trying to develop a community atmosphere in St Kilda East. Originally it was thought that the market would be on the Basketball Courts but that was rescinded by the council. The market will be held every Saturday from 9:00am – 3:00pm and will use some of the facilities of St Mary’s.

I hope you have a good week.
Gerard Lewis - Principal

URGENT REMINDER - FINANCIAL ASSISTANCE
Camps, Sports & Excursion Fund (CSEF)
CSEF provided by the Victorian Government to assist eligible families to cover the costs of school camps, excursions and sporting activities. If you hold a valid Centrelink Pensioner Concession Card or Health Care Card (CRN) you may be eligible for CSEF. If you haven’t fill out a form, please obtain one from the school office by this Wednesday 5th August.

SCHOOL FEES
A friendly reminder that all school fees must be finalised by Wednesday 26th August, 2015. If you have any concerns please don’t hesitate to contact Erica in the office.

RETURNING IN 2016
Each year at this time we commence our planning for the following school year. Enrolment patterns influence staffing, class numbers and our response to enquiries about new enrolments. A form will be sent home this week and we ask that you complete the form to advise us if your child is returning in 2016 so that our planning is as accurate as possible.
**LITERACY NEWS**

**Spellathon!**
On Thursday all Spellathon information was sent home to all families. The children will get their spelling words on Monday 17th August, but until then please round up those sponsors. We are all very excited about this upcoming event. I’m looking forward to watching ‘The Spelling Bee’ show on TV this week – I hope you are too! Reminder, that all money raised by the Spellathon will go to Literacy Resources.  

*Paula Incretolli – Literacy Leader*

**LIBRARY NEWS**

**Premier’s Reading Challenge**
I have verified all students who have completed the Challenge. Some students still need to add books. Please help your child/children to add books as we need to complete by end of August! If you are having problems and you would like me to put the books on, send in a list and I will do it for you. Please contact me via email if you need to at annab@smstkildaeast.catholic.edu.au

**Chess Club**
Congratulations to the Chess champions from last Term. Everyone played to the best of their ability and had lots of fun. Chess is on again this Term with 35 students participating! Have fun everyone!

- **Junior Champion Winners:** John Williams, Mitchell Morley and Hudson Grimmer-Krpan
- **Senior Champion Winners:** Perran Silveira, Savina Litsas and James Lloyd-Smith

**Book Swap**
Thank you to those families who have sent in books for the Book Swap. Please have a look at home or ask friends and family for donations. The Book Swap will take place in late August. We hope to raise a lot of money to support the Indigenous Literacy Foundation.  

*Anna Borella – Librarian*

**ITALIAN NEWS - ITALIAN DAY**
St. Mary’s Community will celebrate the Italian language and culture through a variety of exciting activities.

**Cardboard Boxes:** In preparation for an activity, a number of large cardboard boxes are required for the children to make a racing car. If you have any large boxes, approximately 1 metre or more in length and 50-60cm in width, could you bring them to school for the children to use? Please leave them in the office.

**Costume:** The children are invited to create a costume with an Italian theme. They can dress as a Gondoliere, Sports player, Roman soldier, Swiss guard, Gelato, Pizza, Carnevale character, Baci chocolate, Formula One racing car driver, Musician, Monument, Scientist, Artist, Marco Polo, Pinocchio, Michelangelo, etc. Awards will be given for the children's creativity and initiative.

To begin the day, there will be performances by Year 5 and 6 students, a costume parade and singing in the School Hall from 9:05am until 10:00am. Parents are invited to attend. Later, the children will move into their groups and engage in a variety of activities with their teacher.

**Gelato and/or a slice of Pizza**
Students will be given the opportunity to have a Gelato and or a slice of Pizza alla Margherita on Italian Day. If your child would like one or both of the treats, please complete the slip which was sent home last week and return it to school by Friday 14th August 2015.

Thank you for your support. We look forward to a great day!  

*Signora Vozzo – Italian Teacher*

**FOOTY DAY – Friday 14th August**
Footy Day is coming to St Mary’s on Friday 14th of August. Students are to come dressed in their favourite footy team colours. The day celebrates not only Aussie Rules, but also soccer. A special guest or two will be visiting on the day and the much anticipated footy banner competition is on again.
STUDENT WELLBEING NEWS

Earn and Learn
Woolworths is once again offering the Earn and Learn Program. This program gives St Mary’s the chance to earn new educational resources. We are not asking parents to change their shopping habits but if you do shop at Woolworths could you please collect the tokens and chart and when completed, please send them into school. We have been able to order some wonderful educational resources in past years.

Sex Education Sessions for Years 5 and 6 Families - Monday 31st August 7pm – 8:15pm
The Wonders of Living Family Enrichment Program has been booked for our Year 5 and 6 families. This is for both a parent and their child. You should have received a notice last week. Please fill out the attached form and send along $10.

Student Representative Council Members (SRC Leader)
Last week at assembly the new Student Representative Council Members for Semester Two were presented with their badges. We wish them well in their leadership role.

PERCEPTUAL MOTOR PROGRAM – PMP
We are very excited to announce that the Perceptual Motor Program (PMP) will be starting up again in the coming weeks.

What is PMP?
Students in Foundation to Year 2 work through a sequence of activities to develop perception and motor outcomes along with memory training. The aim is to develop students’ balance, fitness, hand-eye co-ordination, motor skills and understanding of concepts (eg. on, in, through, under).

Under the direction of an adult, groups of students move from one station to the next covering a number of skills and activities that will assist our students in their early years of learning. It involves activities such as rolling, crawling, bouncing, throwing, eye-tracking and obstacle courses.

All lessons will run for 30 minutes on a Thursday in the Parish Hall. The program will only be successful if we have the commitment of enough parents to supervise the four activities each week. If you are able to help please see your class teacher.

Students Reflection who have been involved in the program:

“PMP is really fun and you get to do a lot of activities and obstacles”. **Jack - Year 4**

“I liked it because we were always active and we used many different skills such as throwing, skipping and running”.

**Lulu - Year 4**

“I really enjoyed PMP, because we learnt to identify shapes and I miss it”. **Luke - Year 4**

“My favourite thing we did in PMP was using the parachute and playing games like Wishy Washy”. **Zoe - Year 4**

“I would highly recommend these activities to everyone around the world”. **Jessica - Year 4**

“PMP was one of the most fun things I’ve done at school and I have been here for five years”. **Kristos - Year 4**

“I remember having lots of fun. PMP makes you fit and it also helps you develop better relationships with others”. **Ethan - Year 4**

TERM 3 ART SHOW
We invite all our families to join in by creating and submitting a family art piece for the upcoming show. The family piece may be a painting, drawing, sculpture, textile, print, collage or Papier Mache etc. Our Terms theme is ‘Diversity’, so you could discuss and explore diversity in the arts, cultures, landscapes, countries, ethnicities, plants, animals or environments. The choices are endless.

We look forward to seeing your diverse artistic contributions. Family art pieces can be delivered to the office on Friday the 4th of September. Please do not bring them in before this date. Thank you!

**Ben Fahey – Community Leader**
Parent & Friends Mission Statement

Encouraging and strengthening the school community and coordinating social and fundraising events for additional educational resources for our children.

Thank You to the Year 5 Class Rep Elly Howarth who with the support of the Year 5 parents/guardians hosted the first Cake Stall for Term 3. There was a great turn out on the day with a great range of baking from the Year 5 families. The great baking was rewarded with a sizeable fundraising tally. The Year 5 Cake Stall raised around $670  (Exact tally to be confirmed in the next newsletter)

As a follow up from Junofest we would like to thank and acknowledge Phillippa Grogan for her donation to the Silent Auction. Our apology for the oversight in not having you included in the original thank you acknowledgements in the last newsletter. Your ongoing support to St Mary’s is as always greatly appreciated.

We must also acknowledge and thank Crave Catering for their generous donation of a dinner for eight people. The lucky bidders for this prize receive a custom made dinner prepared for them in the comfort of their own home with their own personal chef. We look forward to hearing how the evening goes for the lucky diners!

P & F Fundraising Goals

At the start of 2015 the P & F Committee established the following fundraising goals. The P & F fundraising efforts will contribute towards:

1. Renovating our newly acquired Parish Hall
2. Supporting the Year 6 Graduation
3. Purchasing art supplies for the school

The P & F Committee would like to thank everyone who has contributed to the P & F fundraising efforts to date and helped achieve the fundraising goal of $15,000 by Term 3. Last year we raised $21,446.30 and with the outstanding P & F events that are scheduled for the rest of 2015 we are confident with your support that we can do it again.

P & F Calendar of Events for Term 3: July/August 2015

P & F Committee Meeting: Thursday 6th August at 7.30pm at the Berchmans Centre. Come and join us at the fourth P&F Committee meeting for 2015. All parents and friends are welcome to attend these meetings. We look forward to seeing you there.

Year 5 P & F Fundraising Event: ‘My School Raffle’

Last week your child would have received a ‘My School Raffle’ raffle book consisting of 10 tickets. Each ticket costs $2.00, with $1.50 of that ticket sale going directly towards the St Mary’s fundraising efforts and the remainder goes back to Scouts Victoria, the organiser of the raffle. The first prize is a new Toyota Prius C Hybrid valued at $29,002; with a variety of other great prizes, as organised by Scouts Victoria. All sold ticket butts, money collected and unsold tickets should be sent back to school in the envelope provided, and given to the teacher by Friday 28th August 2015 - the closing date for the raffle. Keep an eye out for the posters which will be displayed at the school, listing all the raffle prize information.

Footy Day Pie Day is coming up on Friday 14th August.

This event will be organised by the Foundation parents/guardians to support the school’s Footy Day so please get behind the Foundation Class Reps and their team as they prepare for their first major P & F fundraising event post their very successful Cake Stall last Term.

Father’s Day Breakfast: Mark your diary now for Friday 4th September 2014 at 7am. Keep an eye out for the Father’s Day breakfast order form that will come home with your children. Don’t miss out on enjoying the fun! It’s going to be a great morning with Year 4 parents organising the event this year.

2015 Fundraising Goal $15,000

Let’s see how far we can go!

$15,956.88
Extend OSHC at St Mary’s - Primary School

Our Recap
News on the upcoming venue change for after-care, it looks as though we will be making the move to the hall from week 5 of this term onwards. This will be a big change for all of us involved in after care but we hope it will be a positive one, additional indoor space should mean a great improvement on indoor activity possibilities whilst still having access to the great outdoor facilities we currently use. I have no doubt there will be an adjustment period for all involved but hopefully the transition will be as smooth as possible. If you have any questions about the move please feel free to talk to myself on any morning or afternoon to voice any opinions, concerns or suggestions.

This week has had a fantastical focus as we have been exploring the world of mythical creatures including dragons, unicorns and one very close to my heart, the Loch Ness Monster. Great weather, compared to the past week has allowed for a lot of fun outdoors with a small obsession with creating shops cropping up from a few very active imaginations...

Next week we will be looking at what awesome things we can make around the house from every day products, including much requested bath bombs.

Josef, Team Leader  (Service phone : 0405 268 126)

Additional Note
As we have a big move coming up it strikes me as a great opportunity to get some new resources in to the service, as such I will be requesting additional funds from Extend for this. However if any parents have anything they think we could use in the service be it crafty stuff or sports equipment that is gathering dust at home, then donations would be greatly appreciated by all the kids at the service.

Our Extend Superstar … Scarlett Christensen-Barnes - for her unrelenting enthusiasm in engaging with all goings-on at aftercare

Activities for this week:
Monday 3rd August: Bath Bombs (Lavender/Rosemary)  Tuesday 4th August: Making jewelery
Wednesday 5th August: Making music  Thursday 6th August: Bouncing balls
Friday 7th August: Homemade tomato sauce

Watch this space throughout the term for regular updates from our Extend team!

PARENT PORTAL: extend.com.au

ENROL NOW FOR GUITAR LESSONS AT ST MARYS PRIMARY SCHOOL

ST MARYS Primary School in association with Metro Music School is now offering Guitar Lessons to students who are interested in learning this instrument at school every week. Lessons are held during school hours at suitable times. (Prep to Gr 6) Enquiries are welcome on 9460 4818 (Metro Music School).

Discount Hiring and Purchase also available. Contact us for details or visit our online shop at www.metromusic.net.au

ENROLMENT forms can be obtained from the school office. You can also enrol online from the above website address.

OCCASIONAL CHILD CARE

2015 information for parents and carers

WHAT IS THE NATIONAL DATA COLLECTION?
The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The national data collection will count students who have been identified as receiving an adjustment to address a disability under the Disability Discrimination Act 1992 (the DDA). The DDA can be accessed from the ComLaw website at www.comlaw.gov.au.

WHAT IS THE BENEFIT FOR MY CHILD?
The aim of the national data collection is to collect better information about school students with disability in Australia.

This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as students without disability.

The national data collection is an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with disability.

WHY IS THIS DATA BEING COLLECTED?
All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors.

When implementing the national data collection, every school in Australia will use the same method to collect information. Therefore, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through the national data collection will enable all Australian governments to better target support and resources to benefit students with disability. The data will help schools to better support students with disability so that they have the same opportunities for a high quality education as students without disability.

WHAT ARE SCHOOLS REQUIRED TO DO FOR STUDENTS WITH DISABILITY?
All students are entitled to a quality learning experience at school.

Schools are required to make reasonable adjustments, where needed, to assist students with disability to access and participate in education free from discrimination and on the same basis as other students.

These responsibilities are outlined in the DDA and the Disability Standards for Education 2005 (the Standards). The Standards require educators, students, parents and others (e.g. allied health professionals) to work together so that students with disability can participate in education. The Standards can be accessed via the ComLaw website at www.comlaw.gov.au.

WHAT IS A REASONABLE ADJUSTMENT?
A reasonable adjustment is a measure or action taken to help a student with disability access and participate in education on the same basis as students without disability. Reasonable adjustments can be made across the whole school setting (e.g. ramps into school buildings), in the classroom (such as adapting class lessons) and at an individual student level (e.g. extra tuition for a student with learning difficulties).

WHAT INFORMATION WILL BE COLLECTED?
Every year your child’s school will collect the following information for each student with a disability:

- the student’s level of education (i.e. primary or secondary)
- the student’s level of adjustment
- the student’s broad type of disability.

The information collected by schools will be provided to all governments to inform policy and...
programme improvement for students with disability.

WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the DDA.

For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included.

WHO WILL COLLECT INFORMATION FOR THE NATIONAL DATA COLLECTION?

Teachers and school staff will identify the number of students with disability in their school and the level of reasonable adjustment they are provided based on:

- consultation with parents and carers in the course of determining and providing reasonable adjustments
- the school team’s observations and professional judgements
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

HOW WILL MY CHILD’S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

IS THE NATIONAL DATA COLLECTION COMPULSORY?

All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and report information annually on the number of students with disability in their care and the level of adjustment provided to them.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child’s school principal and the relevant education authority or association of independent schools.

Even if your child’s information is not included in the national data collection, the school is still required to provide support to your child with education needs.

FURTHER INFORMATION

Contact your child’s school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may involve your child.

An e-learning resource about the Disability Standards for Education 2005 is freely available for the use of individuals, families and communities at http://resource.dse.theeducationinstitute.edu.au/.
