Term 2 commences
Monday 11th April School Begins 8:55am

From the Principal's Desk:

Sad News
Condolences are extended to Ermarie, Floyd and Tyra Williams on the passing of Ermarie's mother Catalina Autor Fitchet. Catalina has been a vibrant member of the St Mary's community for many years. It was always a pleasure to see her smiling face in the mornings when she brought Tyra to school. Her funeral is being celebrated today at 1:00pm in the St Mary's Church.

Open School Mass and Open Day
Thank you to Maureen McDonald who organised the Opening School Mass yesterday and also to Fr Max Vidola who celebrated Mass with us. It was great to see so many families join with us at Mass for the beginning of the year. Thank you to the teachers, Year 6 students and parents who assisted at the Open Day. We had over forty-five visiting families attend yesterday morning's Open Day. This was more than double last year's attendance.

Assembly Monday
Assemblies will now commence at 2:50pm instead of 3pm every Monday afternoon.
School Improvement Framework (School Review)
In the second week of Term 2, the school will be undergoing the School Improvement Framework (school review) through the Catholic Education Melbourne. This review allows us to evaluate the progress the school has made over the last three years and establish clear direction for the next cycle of School Improvement. On Tuesday 19th April, groups of parents, students, leaders and teachers will be interviewed by the External reviewer. There will be a sole parent group who will be asked questions about their perception of the schools performance over the last three years. If you would like to be part of this process, please email me as soon as possible so that I can organise the relevant groups for each review session.

Parent Information Night
On Thursday 3rd March we will be having a Parent Information Night for all parents. This night will replace the first Term Parent Teacher Meetings for this year only. The information night is for parents only and we ask that you keep the children home as the night will be centred on parents in class groupings attending presentations by teachers in their classrooms on the expectations and recommendations for 2016. We will gather in the hall as a large group first, before we disperse into classrooms. We are having this format this year because of the school review. This evening will be easier for each classroom teacher, as they are already heavily committed to working on the school review in Term 1.

Parking at St Mary’s
Please make sure that when you are dropping the children off in the morning that you are doing so according to our parking procedures. Some parents have been taking short cuts and not parking in the appropriate spots or have been double parking. Only when you are parked in the allocated car spot, should the children leave the car. Vehicles that stop beside parked cars on Westbury Street are DOUBLE PARKING. This is against the law and very dangerous for the children. Double Parking interferes with the flow of traffic and can cause accidents.
Some tips to AVOID Double Parking:
√ You CAN stop to give way to a vehicle leaving a parking spot
X You CANNOT park next to a stationary vehicle and wait for it to leave a parking spot
X You CANNOT Double Park to drop someone off or pick someone up
X You CANNOT leave the vehicle when Double Parked
If you are going to drop your child off and use the parish driveway please let your child disembark at the crossing near the Church, not at the top of the drive. As the school is getting bigger there are more cars on Westbury Street. Dropping your child at the crossing near the Church will ease the congestion on Westbury Street. On the Senior Campus, please do not drop the children near the Senior Campus building or near the Presbytery garage or roundabout. Please drop the children at the Church crossing or park on the basketball court. Following these procedures will make it safer for the children and smoother for all drivers.

Years 5 & 6 Camp
All children in Years 5 & 6 will be attending Sovereign Hill for their School Camp from Wednesday 9 – 11 March.

Instrumental Music program
In Term 2, we will begin a partnership with the company Musicorp. They will be offering individual or group Piano lessons as well as introducing a new opportunity for the students to take part in a band program and learn other instruments, such as clarinet, flute, trombone, violin, saxophone and trumpet. A letter has been sent home about this exciting new program.

I hope you have an enjoyable week.

Gerard Lewis
Principal

PARENT INFORMATION NIGHT
Thursday 3rd March – 7pm
Location: Parish Hall
ENROLMENTS FOR 2017
We are currently taking enrolments for next year. If you have a family member who is scheduled to start next year please come to the office and obtain an Enrolment Form or download it from our website, as places are filling up quickly and numbers are limited.

SCHOOL PHOTOS – Wednesday 16th March
Information will go home regarding the school photos this week. We ask that the children wear their correct school SUMMER UNIFORM – no coloured ribbons or socks. Girls navy socks and boys grey socks are the uniform colour. Family portrait envelopes can be collected at the office next month.

CARE MONKEY SYSTEM
Thank you to all of the families who have created their child’s CareMonkey profiles. We still have 117 children who don’t have a profile created for. If you haven’t yet created a profile, please do ASAP. It is a school requirement that all children have a profile setup. Health and safety of all our students are our number 1 priority and this system helps us greatly to care for all our students.

PRESENTATION BY MUSICORP INSTRUMENTAL TEACHERS FOR STUDENTS IN YEARS 1-6
Thursday 3rd March at 2:45pm - In the Year 4 Classroom
From Term 2, Musicorp will be offering individual or group Piano lessons to St Mary’s students, as well as introducing an exciting new band program. In the band program, the students will be provided with both a small group lesson on an ensemble instrument, such as Clarinet, Flute and Trumpet as well as a band lesson/rehearsal with all the other students learning an ensemble instrument. The band lesson/rehearsal will take place before school and then the students will attend their small group lesson throughout the day.
Taking part in a Music program is a fantastic way for the students to develop a variety of skills, such as organisation, listening skills, concentration and persistence. It is also a great opportunity for the students to work and cooperate with students from a range of year levels.
Parents most welcome to attend the presentation on Thursday at 2:45pm, it will be a wonderful opportunity to see what the company has to offer.

RE NEWS
Extraordinary Jubilee Year of Mercy
"We need constantly to contemplate the mystery of mercy. It is a wellspring of joy, serenity and peace.” Pope Francis
The Extraordinary Jubilee Year of Mercy began on 8th December 2015— the 50th anniversary of the closing of the Second Vatican Council—and concludes on 20th November 2016. Pope Francis opened the door of St Peter’s Basilica to officially welcome the Jubilee Year. He has said that the door will become “a Door of Mercy through which anyone who enters will experience the love of God who consoles, pardons, and instils hope.” The Jubilee Year’s theme is: “Be merciful, just as your Father is merciful.” A jubilee year is a special year called by the church to receive blessing and pardon from God and remission of sins. The tradition started about 700 years ago and 26 jubilees have been celebrated since. Of those, only three have been “extraordinary” (including this Year of Mercy). The official proclamation of the Extraordinary Jubilee Year of Mercy is entitled Misericordiae Vultus.
(“The Face of Mercy”) and explains how in Jesus Christ, in his words and actions, the mercy of God has been revealed.

*Lent is a time when we respond to Jesus’ call to build a society based on mercy.

*Prayer
Lord, help us to be open to your nurturing word that the seeds of faith you planted may blossom into a life of love and mercy.

Opportunity to donate FOOTBALL BOOTS AND OTHER SPORTING EQUIPMENT to families at the Horace Petty Housing Estate (South Yarra) – this opportunity is all year round

Our TPCC community sports program has a strong connection with the Horace Petty Public Housing estate in South Yarra. A large proportion of the residents of the Horace Petty residents are highly disadvantaged eg refugees and socially disaffected/isolated families.

Any items not used by the residents will donated to the Fijian cyclone disaster relief – the Horace Petty estate residents have organised a shipping container going to Fiji in March and all items will go directly to families in need.

It is fairly simple:
(a) Place any USED FOOTBALL BOOTS AND OTHER SPORTING EQUIPMENT (any size) in a garbage bag – there is no need to sort.
(b) Deliver the bags to Jim Hallam’s house in Armadale (may be dropped off at any time/any day on front door) – Jim will arrange for delivery to the South Yarra Kindergarten who will distribute.

If you are interested in donating please contact Jim Hallam by return email or contact Jim (telephone 0414965442 or jendix@onthe.net.au)

safer speed limits for local streets

The City of Port Phillip plans to reduce the speed limit on some local streets in Port Melbourne, South Melbourne, St Kilda Road Precinct and St Kilda East.

safer speed limits for local streets

The City of Port Phillip plans to reduce the speed limit by 10 km/h on some local streets in your area. This would mean speed limits are reduced from 50 to 40 km/h.

Lower speed limits are safer for everyone using the street, especially more vulnerable people such as pedestrians, bike riders, the young and the elderly.

About half of all local streets in Port Phillip already have a reduced speed limit.

safer for everyone

It takes nine metres longer to stop at 50 km/h than at 40 km/h

Have your say

To view a map of the streets where reduced speed limits are proposed and provide your feedback via an online survey, please visit: www.portphillip.vic.gov.au/speedlimitchanges.htm

You can also contact ASSIST on 03 9209 6777 and ask to speak to a member of the Transport Safety Engineering team, or request a hard copy survey.

Please provide your feedback by 24 March 2016.

Next steps

The reduced speed limits will apply from mid 2016, subject to community feedback and VicRoads approval.
